Thank you all for coming to FDA's 26th Annual Recital!

I would like to thank all of the parents, students for many years of loyalty. Through countless dance classes, recitals, competitions, showcases, public events, and many years of memories, I would not be the proud dance teacher and studio owner I am today without all of you! Most importantly, I would like to thank my family; First off, I would like to thank my late father Dick deLalla. You are always there for me, the studio, and thank you for watching me and all of my dancers from heaven. I would like to thank my mother Irene for staying late at the studio, many trips and competitions and being there for me. I would like to thank my husband Arthur for everything he does behind the scenes and his constant support for me. I'd like to thank my son Richie for being supportive and understanding of my long nights at the studio. I would like to thank my daughter Chandler; you are growing into a beautiful dancer and I am so proud of how far you've come. I'd like to thank all of the parents, friends, and helpers for everything- you all are the dancers' biggest fans and they would not be here without you! Lastly, I would like to thank my staff for all of your hardwork and dedication to me and the studio this year. From long nights at the studio, hosting showcases, performing at special events, numerous competitions and everything in between, I am proud of each and every one of you.

Thank you everyone for another wonderful year at Falmouth Dance Academy. As I always say...Peace-Love-Happiness! I hope everyone has a wonderful fun and safe summer and I will see you all in the fall. FDA- ALL THE WAY!!!
