GRADUATING SENIORS

MaryAlyce Bevacqua: I have danced for 12 years and competed for 8 of those years. I also played field hockey and lacrosse throughout my High School years. I am attending Wentworth Institute of Technology next fall and will be majoring in an Interior Design. I am hoping to have my own business as an Interior designer when I'm older. I will also be trying out for the dance team next year at Wentworth to further my love for dance.

Nora Landers: I graduated from upper Cape regional high school. I have been dancing for six years and in the fall I will be attending Assumption College in Worcester majoring in Physical Therapy.

Delaney Mathews: She has been dancing at Falmouth Dance Academy for 17 years. Who would have thought that the child who spent her first year of dance class crying on Miss Kim's hip would now be on the competition dance team and a teacher on the Falmouth Dance Academy Staff. When Delaney is not dancing you can find practicing her art skills or volunteering at East Falmouth Elementary School. She is also an active fund raiser for the Multiple Myeloma Research Foundation. She has raised and donated \$6700.00 as of this past may. Delaney recently graduated from Falmouth High School. She will be attending Fitchburg State University in the fall and majoring in Elementary Education.

Alexia Meissner: I have been a dancer at Falmouth Dance Academy for 14 years and have been a part of the competition team for 11 years. I am graduating from Falmouth High School went on a roll and a member of the national Honor Society in National Art Honor Society. Other than dance, I have also been a part of field hockey and ice hockey teams. Next year I am attending Fairfield University and will be majoring in nursing.

THANK YOU

A heart felt thank you to my mother Irene, for her love and support for these last 25 years.

I would like to thank my husband Arthur and children Richie and Chandler, for putting up with my endless work hours and weekends spent away at competitions.

I would like to thank my staff for putting their hearts and souls into their routines, choreography, and endless hours of work.

I would like to thank Chris Mathews for making our props for many years and helping out at every dance competition.

I would like to thank the parents and students for their patience, hard work, and dedication throughout the dance season.
