# GRADUATING SENIORS

## Grace Correia

I have been dancing at FDA for 16 years and been on the competition team for 10 years. I am truly grateful for all of the relationships I have made at FDA, being able to dance with my older sisters, and FDA being my second home. Thank you mom & dad for all the years of competitions, conventions, long nights and extra hours at the studio. Thank you Chelsea for always being there for me and making dance fun. Thank you to all of the teachers, dance moms, and dance students that made me want to come. Thank you Kim for making the studio my second home and inspiring me to become a teacher. I plan on attending Bridgewater State University, studying elementary education and special education. I will love and miss you all!

## Mackenzie Drew

My name is Mackenzie Drew. I have been dancing at FDA since I was a little girl. FDA will always have a special place in my heart because not only have I always felt welcome and always been able to express myself but it's been such a fun experience and a place that I will miss dearly. Next year I will be attending Dean College and majoring in Criminal Justice. I will also miss Mrs. Kim and Mrs. Chelsea so so so much!!!!

## Kathryn Godusky

My name is Kathryn Godusky and I've been at FDA for three years. My favorite memory is laughing with others while we danced. This year I was Captain of the Falmouth High School cheer team and I did dual enrollment at Cape Cod Community College. Next year I will be attending Louisiana State University majoring in Communication Disorders. I plan to join the LSU Reserve Officers' Training Corps (ROTC) program. I am so thankful for being able to dance with everyone at FDA.

## Kayla Mathews

AKA Baby Kay. I have been dancing at FDA since I was 2 years old. I have been a part of FDA's competition team since I was 8 years old. FDA has always been a second home to me and ultimately inspired me to pursue a teaching career. No matter what, I know I will always have unconditional love and support from both the staff and other students. To my fellow senior team dancers, thank you for making my senior year amazing and for endless laughs and memories that will last a lifetime. To my little ones, never give up on your dreams and continue to dance your hearts out on the stage. Next year I will be attending Fitchburg State University for Elementary Education in the Honors Program. Along with being accepted into the Honors Program, I have committed to play Division 3 Field Hockey for Fitchburg State's team. I love you, Kimmy!

## Daniella Pyne

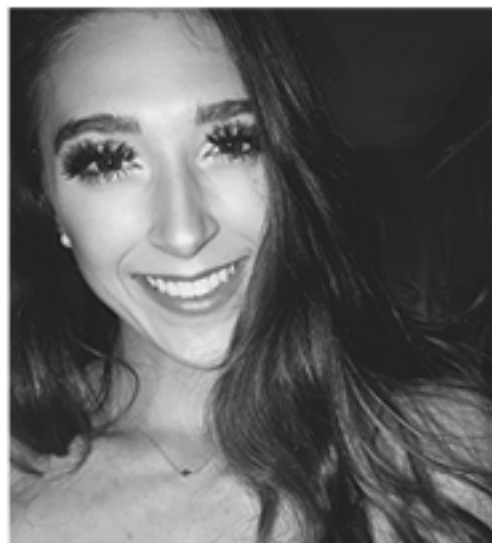

Daniella Pyne. I have danced at FDA for 16 years. I love to paint, model, do photography and videography, do makeup, and dance! My favorite memory from FDA is all the years we did Christina Aguilera songs and this studio is so special to me because I have always felt welcome, happy, and able to express myself when I'm here. I plan on taking a gap year and traveling to Costa Rica and when I get back I will attend the University of Rhode Island and major in Film. Also I am going to miss Chelsea and Mrs. Kim SOOOO much!!

## Mackenzie Velardo

My name is Mackenzie Velardo and I am a graduating senior from Falmouth High School. I have been dancing FDA for 10 years and also been on FDA's competition team. Some of my favorite memories being at FDA include making friends and being apart of a great team.
